Amazing Whitianga

The Coromandel Peninsula has some of New Zealand's most spectacular scenery and special places. It is rich with beautiful white sand beaches, bush clad ranges and a vibrant cultural atmosphere.

Whitianga is the hub of the Peninsula, a lively and busy town. The wharf in the centre of town is the main departure point for fishing, charter boats and scenic cruises. Stroll through the busy main street filled with boutique stores and enjoy a meal at one of the many restaurants and cafes.

Thirty minutes drive south of Whitianga is the Coromandel's first designated marine reserve Te Whanganui-A-Hei and the stunning Cathedral Cove. Just a little further along the coast is the amazing Hot Water Beach, where you can dig your own hot pool in the sand when the hot springs are exposed during low tide.
